

Horla - Yann Longchamp

Musical bio

The musical universe of Horla is a journey through deep atmospheres and long stories. Structured around hypnotic percussion, his performances are both energetic and diverse, blending influences from balearic & fusion sounds, minimal rhythm house, and techno.

He is a member of the [Studio 1157](#) collective and contributes to the development of the [TRNSTN Radio](#) in Fribourg. He is also the co-founder of Einzehn, a non profit organization based in Geneva which supports and promotes artistic creation in the field of performing arts and music.

Since 2013, he has been performing at various festivals and clubs, including [Montreux Jazz Festival](#), [Antigel Festival](#), [Babel Festival](#), [CYFest](#), [Le Zoo](#), [La Gravière](#), [Fri-Son](#), [Le Mouton Noir](#), as well as for radio stations and podcasts such as TRNSTN Radio, [La Main Mise](#), and [Wild Silence](#).

Artistic bio

Yann Longchamp is an audiovisual artist, producer, and DJ based in Geneva, Switzerland. His work is recognized in the field of audiovisual performance, interactive installations, and scenography, both for theater and contemporary dance as well as for clubbing and festivals. He develops creations for the [Mapping Festival](#), [Balelec](#) and [Search Festival](#) as well as collaborating with institutions such as [Pavillon ADC](#), [La Comédie](#) and [OperaLab](#). During the 2020-2021 season, he became an associated artist at [L'Abri](#) and an artist in residency for the [Shap Shap](#) program as part of Antigel Festival.
